

Queen's Scout Award

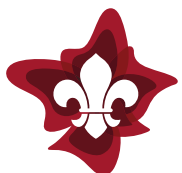

The Queen's Scout Award is one of Scouting's most prestigious awards, available to Scouts across the Commonwealth.

Completion of the Award carries an outstanding reputation within Scouting and the community. It is the highest award of the Venturer Scout section and can offer up to four additional ATAR points for university entry (more than the Duke of Edinburgh's Award can offer). You can wear your Queen's Scout Award badge through Venturers, Rovers, and even as an adult leader.

In Venturer Scouts, your Unit Council will support you on your endeavour to complete the Award.

Upon completion, your documentation is processed through the Scouts NSW State Office and successful candidates are notified. Awardees are presented with their Award by the state Governor, at Government House.
